CHAPLAIN FAMILY LIFE OUTREACH PROGRAM

PURPOSE: To provide information to the Command Chaplain on the Chaplain Family Life Outreach Program.

DISCUSSION:

- Under the supervision of the USFK and EUSA Command Chaplain Family Life Center Director.
- To support individually and command sponsored military and DoD civilian family members to promote quality of life.
- To enhance family readiness without placing total burden to individual soldier's command and other military helping agencies. Outreach Program Coordinators (ORC) serve as ministry multipliers in the community.

DISCUSSION:

- **Scope**

- Through a non-personal service contract, one Korean and one American

Active Duty Military spouses are contracted for a military community.

There are 11 locations (see TAB A).

- ORC collect information about local military community and resources on local economy off military installation.
- Focus is on informing families about sources of assistance, assisting them in adapting to Korean culture and the military environment, and providing continuous support for successful and meaningful stay in Korea.

DISCUSSION:

- Support Group Activities

- Wives' Support Group Meeting: Spiritual Fitness Groups, outing to local markets and recreational/cultural facilities.**
- Support to Single Soldiers: Visiting with bake goods & inviting to group dinner.**
- Other Group Activities: Mother-children play group, spouse group, picnics, group sports, and orphanage visits.**
- Referral of identified serious cases to chaplains and other helping professionals.**
- Family Life Center Education for ORC: Communication Skill, Building support net work, Team Building, Stress Management, English-Korean Class, Cooking Class (American & Korean), Legal Issue Class, Leadership Training, etc.**
